

TWI Celebrates Clean Your Streams Volunteers

Michael Arrigo and Tallula Arrigo pose with Toledo Waterways Initiative mascot Chuck during the Clean Your Streams volunteer appreciation lunch.

Representatives from the Toledo Waterways Initiative celebrated volunteers from Clean Your Streams at the event’s volunteer appreciation picnic lunch on Saturday, September 17.

Volunteers gathered at the Lucas County fairgrounds after removing trash from area waterways. This was the 20th anniversary of the event when hundreds of volunteers pull thousands of pounds of trash from creeks and rivers.

Toledo Waterway Initiatives joined several organizations at educational, interactive tables including Toledo Metroparks, Stone Laboratory and Toledo Environmental Services to provide information about the environment.
